ACADEMIC SERVICES

Healthcare Administration

Academic Programmatic Assessment

Peregrine Academic Services provides nationally normed, summative assessment services for **Healthcare Administration** academic programs that are used for internal and external programmatic evaluation. The customizable exams are delivered online and can be effectively integrated into any undergraduate or graduate program to comprehensively evaluate retained student knowledge associated with the academic degree program's learning outcomes.

The assessment service is specifically designed to address CAHME accreditation and AUPHA certification requirements related to learning outcomes assessment, quality assurance, and external academic benchmarking.

Structure

It is a fully online assessment with a unique design that allows for non-proctored administration to both on-campus and remote students in a secure test environment.

Topics

The assessment spans 23 Topical areas organized under five domains identified by the Healthcare Leadership Alliance.

Customization

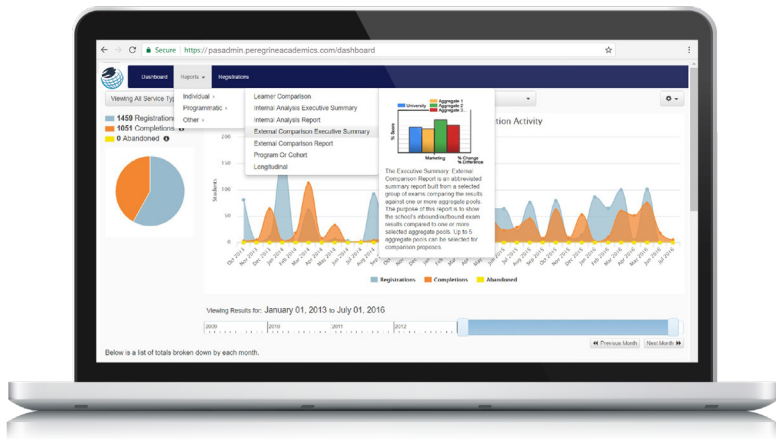

Our flexible design lets you create assessments that best align with your Healthcare Administration and/or Management general program as well as specializations.

Support

Unmatched client support to assist with your test administration and report interpretation every step of the way. We also provide LTI integration so that the assessment can be administered through a course shell within your school's LMS.

Comprehensive Reporting

You receive immediate access to all institutional and individual assessment scores/results via our Client Admin site. This intuitive and flexible reporting system generates a wide range of comparative reports across time, cohorts, to name a few, for sophisticated in-depth analysis.

Results and Reporting

School officials have 24/7 access to student results and reporting through Client Admin. Reports are used for academic benchmarking and learning outcomes evaluation.

The site includes student registration management, access to completion certificates and individual scores, and summative reports for comparative analysis.

Exam Content

The test bank includes 23 Healthcare Administration topical areas organized within the five Healthcare Leadership Alliance domains. An exam includes 10 questions per topic, randomly selected from the test bank of more than 3,000 questions.
