

Leadership Communications

Rising to the challenge of leadership has so much to do with your ability to communicate clearly and effectively.

Whether introducing new directives, setting standards, or pursuing goals, the ability to connect, engage, and convey a message can make all the difference in your success.

Although this is a module on leadership communications, the principles can be applied to the rest of your life as well.

They are useful not only for improving workplace output and connection, but also for bringing increased happiness and satisfaction throughout your life.

Outcomes

1. Understand the nature of leadership communications.
2. Understand which kind of communication medium is best to use in each situation.
3. Understand how to give and receive feedback.
4. Know how to communicate non-defensively.
5. Know the different modes of communication.
6. Know how to prepare and deliver effective presentations.
7. Understand how to overcome the barriers to communications and employ active listening.
