LEADERSHIP FOUNDATIONS COURSE SYLLABUS

Overview

The importance of leadership in our 21st Century world cannot be understated. Leadership is what differentiates successful organizations from failing ones. It is also what distinguishes the more successful individuals from others.

The purpose of this module is to focus the BE, KNOW, and DO foundations of leadership. The character of the leader is the BE dimension, the values and attributes that define the leader. The leader must also understand the technical and people skills, the KNOW dimension. The leader must exemplify their values and put their knowledge into action, the DO dimension of leadership.

This module is based on two books:

Oedekoven, O. O., D. K. Robbins, J. Lavrenz, H. A. Dillon, Jr., & R. Warne. (2015/2018).
